

## WHAT HAPPENS AT TYC?

Trailblazers Youth Centre (TYC) offers a variety of programs aimed to teach and build new skills, explore passions and support future growth for children and youth in our community. We offer a range of programs including sports like basketball and ball hockey, arts programs such as music and paint, and life skills programs such as cooking, financial literacy and social skills groups.

Building connection to the community is a focus at TYC. There are also opportunities to get involved and volunteer in the community through the centre.

We are also proud to offer certificate programs to build employment skills such as High Five, Smart Serve, WHMIS, Food Handling, First Aid, CPR and much more!

Special youth-focused events are held throughout the year to celebrate achievements and promote engagement with those we serve.

## BECOMING A TRAILBLAZER

Trailblazers Youth Centre provides programs and services to youth from age 6 to 29. All youth receiving support from Peel CAS as well as former youth in care can register for our programs and attend our events.

For youth currently involved with Peel CAS, registrations for programs must be completed by a Peel CAS worker. Former youth can connect directly to our team at [youthsuccess@peelcas.org](mailto:youthsuccess@peelcas.org).

# TYC - TOGETHER WE THRIVE

## SCOREBOARD

Trailblazers Youth Centre launched a new initiative, called Scoreboard, to engage and motivate youth to participate in programs.

Scoreboard was created by MLSE Launchpad, which has partnered with us to develop our own Scoreboard website exclusively for our youth.

Scoreboard is a way to gamify participation in our programs – it allows youth to earn points when taking part in activities at the TYC and when demonstrating key life skills such as positive interactions with others, pushing themselves to try something new and achieving personal goals.

The points earned can be used to shop at our Scoreboard store. The items in the store have been selected based on youth surveys and feedback. Store items include various gift cards, sports gear and electronics.

**Get in touch with us to sign up for Scoreboard!**

## ABOUT US

Peel CAS developed the Trailblazers Youth Centre to create an innovative and equitable service delivery model – developed and led by youth – for children and youth to access exceptional services and supports to thrive, belong, build life-long connections, and position themselves as leaders.

The Youth Success Team was created as part of Peel CAS's youth strategy to improve outcomes for youth involved with the agency. Together we lead and support programs and services that will improve the outcomes for youth.

The Trailblazers Youth Centre provides opportunities for youth to become active members of a community that fosters a sense of safety and belonging while delivering fun and exciting experiences.
